

## Alvin's Mission A New Problem

Alvin: (Quoting) "Whenever you try a Mission, you'll do it. Whenever you fail, you fail. And even if you do, you can just try again. But hopefully, this time...it WILL go right."

"The first scene shows a plushie teddy and Theodore's Voice is heard in a background from the previous project "Alvin's Mission The Aftermath."

Theodore: Life isn't all about fail you know.

(Alvin suddenly wakes up)

Alvin: THEODORE!

(He gets out of bed and slips on the couch)

(The scene cuts to Simon walking to the room until he sees Alvin)

Simon: Alvin. What's wrong? You look like you had a bad dream or something.

Alvin: Where's Theodore?

Simon: He's in the living room, Why?

Alvin: It's just..i need to talk to him.

Simon: Oh, okay. Go ahead.

Alvin: Thanks Si.

(Alvin standing in hall thinking)

Alvin: [Voiceover] What am i supposed to say to him? After what happened with the Mission? Uhh who knows. i'll just talk to him.

Scene cuts to Theodore and Alvin.

Alvin: Hey Theodore.

Theodore: Hi Alvin.

Alvin: Theo when you said "Life isn't all about fail" it really means so much after what happened with the mission. So Thank you.

Theodore: Aww..

Alvin: Anyway the sun is outside so let's go look.

Theodore: Hmm.

Scene cuts to Blue sky

[Theodore looking at the sky]

Theodore: It's Beautiful out there.

Simon: I have to be honest Theodore Sunsets are more beautiful. Benjamin Griffiths has got lovely photos of it

Theodore: Except the ones that blocking the sun which is annoying. i bet it's wrong.

Alvin: I want to look at the photos.

[Chipmunks Enter Ben's Room and look on his Computer with Sun photos]

[Simon: Okay let's have a look at the sunset pictures.

Theodore: Ok.

Simon: The first image we're seeing is...

[1st Picture comes up]

Alvin: Helloooo Gorgeous!

Theodore: Wow that's a great photo!

Simon: Very Pretty. Okay what am i seeing now?

[2nd Picture comes up]

Alvin: Gosh it's awesome!

Theodore: Sure is Alvin!

Simon: And the next one is...

[3rd Picture comes up]

Alvin: Alright that is much more beautiful than the other one

Simon: Hmm Indeed. Okay, the last one is coming up.

[4th and Last picture shows up]

Alvin: Holy nuts.

Simon: That's the second best Sunset Photo i've ever seen.

Theodore: Yeah.

Simon: Okay, now that we've seen all the photos of the sunsets, what did you think of them Alvin?

Alvin: I think they're pretty beautiful. i just wish 1 day we'll see one.

Simon: We will.

Theodore: Yep.

Alvin: Okay guys, i got something i want to say.

Simon and Theodore: Ok?

Alvin: I'm gonna say this once, and only once: I'm not deleting Alvin Gets Grounded Videos!

Simon and Theodore: Right!

Alvin: And i'm not deleting all of Ben's Videos! [Laptop Force Pushs Alvin Again]

Alvin: AAHH!!

Simon and Theodore: ALVIN!!

Alvin: Ouch!

Theodore: Are you okay?!

Alvin: Yes i'm fine..(Grunts) Aww..what did i say?

Simon: I think you've might have oversaid it.

Alvin: (Sighs) Yeah..i think you're right.

(Next scene cuts to raining outside with puddles and it cuts to Simon and Alvin)

Simon: Alvin, can i speak to you for a moment?

Alvin: Sure.

Simon: How would you feel about a new mission?

Alvin: (Long Pause) (Voiceover) "If you're gonna say it, just say it. it's now or never." I can't.  
(Turns Around)

Simon: Why not?

Alvin: I can't go back on Missions, Simon. I just want to have a normal day. It's time for the missions..to end.

Simon: (Shocked) Why? You've forgiven me since the last mission. If i was wrong, we deserve to know why. We all do.

(Alvin says nothing and walks away and Scene cuts to Simon and Theodore)

Theodore: Hmm, that does present a new problem.

Simon: Yeah, i tried to talk to him and he disagreed of doing another mission.

Theodore: Maybe i should talk to Alvin.

Simon: You sure?

Theodore: Hey, i talked some sense into him getting over failure. Remember?

Simon: Ok. Well good luck to you Theodore, i'm gonna get some rest.

Theodore: See ya.

Simon: Theodore? "As long as we got each other, we're alright."

(Theodore cheerfully nods and he goes to see Alvin)

(Theodore approaches to Ben's door, finds Alvin sitting on the couch, Theodore climbs up and Alvin looks at him)

Alvin: (Sighs) Come on, Theodore. If you've got something to say, just say it.

Theodore: Are you okay..?

Alvin: Yeah, of course i'm okay. What more could i ask for?

Theodore: It's just...you know what Simon said to me that you're never going back on missions.

Alvin: I have my reasons, Theodore.

Theodore: You already failed one mission, Why can't you just try again for one more?

Alvin: (Sighs) Theodore. I wish you can understand this right now, but i'm not going back on

missions. Nothing can make me change my mind.

Theodore: Maybe THIS will change your mind. (Shows footage of ALVIN'S MISSION THE AFTERMATH)

Alvin: (On TV) Simon, about what happened..

Simon: (On TV) Don't worry it's dealt with count on it. As long as we got each other, we're alright.

Alvin: (He looks at Theodore) That was a cheap move.

Theodore: (Nervous Chuckles) So what do you say, Alvin?

(Alvin deeply sighs and gives a sad look at Theodore The next scene cuts to Simon sleeping until he wakes up when Alvin comes in to give Simon the agreement)

Alvin: Tomorrow, i'm gonna do it. One more. I will go back on a mission, and that's why we got each other. (Alvin exits the room)

(Next scene cuts to Alvin and Theodore)

Theodore: So, i take it everything went okay with Simon?

Alvin: Yeah. Everything's gonna be right this time, i hope.

Theodore: Have you ever thought of something?

Alvin: Thought of what?

Theodore: Training Lessons.

Alvin: Lessons?

Theodore: Yeah, i teach you some lessons and the more you learn you'll get good luck from me to completing your mission.

Alvin: I've never really thought about it but...i suppose, yeah. Training Lessons. (Long Pause)  
Umm i think i'll be going to sleep now.

Theodore: Good Night Alvin. (Walks out of the room)

(Alvin lies down on the bed and sleeps)

(Scene fades to black and Alvin's voice speaks throughout his mind)

Alvin: (Voiceover) "The more i learn, i get good luck to completing my mission." Every time i

think of those words Theodore said to me, it's like i'm gonna be his teacher

(Next scene fades in from Ben's room until a loud noise rang out and Alvin wakes up)

Alvin: Huh?! (Comes out of the room) Hello? Is anyone there?

(Alvin walks further into the corridor hall and stops and then a mysterious plushie comes up behind him, Alvin turns around but mysterious plushie disappears)

Alvin: Huh. Must have been the wind.

(Alvin walks back to the kitchen another noise rang out Alvin turns around again but nobody was there then Alvin turned back and suddenly Simon appears and Alvin freaks out)

Alvin: AHHH!!!!

Simon: Alvin, you alright?

Alvin: Yeah!

Simon: What's wrong?

Alvin: Uhh nothing. i think i'll get back to bed. (Walks on to Ben's Room) I uh..could use some sleep.

Simon: Huh.

(Camera moves away from Simon and moves to the stairs where the mysterious plushie is revealed)

[1 day later]

(Camera shows a blue sky with a few clouds)

(Theodore comes in to see Alvin to get ready for his lesson)

Theodore: Hey Alvin... (Alvin's not on the bed) Alvin? (Theodore looks around and the next scene cuts to Alvin looking at the sun wishing he could complete his mission and he comes back in the house only to find Simon and Theodore standing there.

Alvin: Hey Simon, Theodore, (No response from Simon and Theodore) What? What are you both staring at me for?

Simon: (Whispers) You say it, Theodore.

(Theodore walks up to Alvin)

Theodore: Alvin, you forgot about your training lesson.

Alvin: Let me get this straight. I forgot about my training lessons?

Theodore: Uh huh..

Alvin: Oh okay....WHAT?? (Alvin faints)

Simon: Oh crud! Is he okay?

Theodore: I think so.

Simon: Help me move him!

Theodore: Did the mission went wrong?

Simon: JUST GET OVER HERE AND HELP ME!!

Theodore: Okay as you wish!

(Simon and Theodore move Alvin to Ben's Room)

(Alvin wakes up in front of Simon and Theodore)

Theodore: Alvin you okay?

Alvin: Ugh. Oh what happened?

Simon: You fainted after we told you that you forgot about the lessons.

Alvin: Oh right...

Theodore: Well you best get ready for the lesson now.

Alvin: Yeah, give me a few minutes.

Simon: Well if you need anything, we'll always get in touch with...(Sees mysterious plushie which runs off) HEY!! (Runs after it) STOP! COME BACK! (It disappeared)

Alvin: Simon what is it? What's the Matter?

Simon: Alvin.....i don't think we're alone.

(Alvin getting the creeps)

(1 day and 18 hours later shot with dark cloudy weather and windy and the next shot cuts to Theodore opening the door)

Theodore: Alvin, Simon wants you..now.

(Alvin proceeds to Ben's Room to meet up with Simon in the dark with a flashlight on as a private conversation)

Simon: Okay Alvin listen very carefully, there was something in this house as i saw it in my eyes only for a few seconds and it just ran away.

Alvin: What was it?

Simon: A meerkat in a jacket.

Alvin: (Laughs) "A meerkat in a jacket"

Simon: It's no joke! It's not as normal as it seems. it's not just like any other meerkat.

Alvin: What did it look like? Can you describe it?

Simon: Well, it's gray, he wears a black shirt and a jacket.

Alvin: Does it have a name?

Simon: It has no name, but i might need more information about this Meerkat in a j...(Flashlight goes out before Simon can finish what he said making the room pitch black)

Alvin: What happened?

Simon: Urggh! This piece of junk must have run out of extra batteries! (Remembers the moment) Wait a minute, Alvin, call Theodore. He should be able to have more batteries for the flashlight!

Alvin: Okay. (Alvin calls Theodore through phone as he dials a frequency)

(Phone screen comes up as 2 pictures of Alvin and Theodore appear on screen in green tint)

Theodore: Hello?

Alvin: Theodore, we have a situation. The batteries on the flashlight has run out and we can't see a thing in this dark room. Can you bring extra batteries please?

Theodore: Of course! Just hold on for a few seconds.

Alvin: Thanks!

(1 minute later)

Simon: Ahh, there we go.

Alvin: Now where were we?

Simon: As i said, we need more info about this..(flashlight goes out for a second time)

Alvin: Again?

Simon: What..the..heck..is GOING ON!!? (Taps Flashlight and nothing happens) you cannot be serious (!) THEODORE!

Theodore: Yes?

Simon: How long does the extra batteries last?

Theodore: Umm...5 seconds.

Simon: (Yells) THEEEEDOOOOOOORRRRRREEEEEEEEEEEEEEEE!!!!!!!!!!!!

Theodore: (To the Audience) Maybe the plan went wrong. Hmph!

(6 Minutes later)

Alvin: Simon i'm sorry, it wasn't a part of the plan.

Simon: A plan? A PLAN!? Theodore said that extra batteries only lasted for about 5 seconds, and that just ruined it as a private coversation with just the 2 of us!

Alvin: Okay, okay, maybe we should just calm down and think things through.

Simon: Well you're right bro. You're absoutley right (!) If you just excuse me both, i'm gonna have a nice long rest alone. (Leaves the area and lets out a frustrating growl)

Theodore: Oh dear.

Alvin: Wow, i didn't think he (Laughs) he got mad so fast.

Theodore: Well, he sure did, (Chuckles) but tomorrow Alvin, you really need to have this lesson, Understand?

Alvin: Yes.

Theodore: Okay.

Alvin: Goodnight Master Theodore.

Theodore: Master? Awww...

(The next shot shows Alvin waking up in time for the lesson where Theodore is waiting for him)

Theodore: Morning Alvin!

Alvin: Morning Theodore! I'm Ready.

Theodore: Let's get started.

(Alvin and Theodore move to the training lesson area)

Theodore: Lesson 1: Stand next to me.

(Alvin approaches to Theodore stands closes to him by his side)

Theodore: Here goes, "A Soul that pushes you to walk the path you must take despite the obstacles that makes you trip and fall".

Alvin: Okay. Who wrote that speech?

Theodore: Me.

Alvin: Really!? My gosh.

Theodore: Next thing, take a deep breath 3 times....and think deep words what you feel about the mission.

Alvin: [Sighs] Okay. [Alvin proceeds to take 3 deep breaths throughout his heart and feelings]  
Phew! Wow, that sure helps alot.

Theodore: Now, tell me, what were your deep words you were thinking?

Alvin: I don't care where the mission take us, we need to always stick together, because we're brothers.

Theodore: That is very wise Alvin! Well that's it for the lesson. Time to go.

[Alvin and Theodore go down stairs and they meet up with Simon]

Simon: Guys.

Theodore: Yes, what is it?

Simon: I...i just wanted to ask you something, but you were busy with Alvin.

Alvin: What did you want to ask him?

Simon: An apology. You know with the extra batteries last night?

Alvin and Theodore: Oh.

Simon: I shouldn't have yelled about it.

Theodore: That's okay, we know how you feel.

Alvin: Well guys, we gotta figure something out if we are gonna complete my mission.

Simon: Right you are bro.

Theodore: Let's look at the computer.

[The Chipmunks look at the computer]

Alvin: Simon, take a look at this.

Simon: Hmm, let's open it and find out

[File opens up with a few blanks leaving the chipmunks confused]

Theodore: What could this be?

Alvin: That i don't know.

Simon: Whatever it is, it may have some clue to your mission, i may need some time to solve this mystery blanks.

Alvin: We're counting on you Simon.

???: Alvin.....Alvin.....Alvin.....

Alvin: What?!

Simon and Theodore: Huh?

Alvin: I heard a voice.

Simon: What voice?

Alvin: It spoke my name, and then it sounded scary.

Theodore: Oh boy.

Alvin: I better check something out.

Simon: Where you going?!

Alvin: Si, i need you to stay where you are.

Theodore: But..

Alvin: I'll be right back!

Theodore: Ohhh...[Sad sigh]

[Alvin searches the area for that voice that called him]

Alvin: Alright, wherever you are, you can't hide.

???: Not hiding from you Alvin.....

Alvin: HUH?! OK! That's not funny. [Runs after it] Come on out!

???: That won't be easy to find me, Awesomest one.

Alvin: How do you know who i am?! SHOW YOURSELF!!

???: Oh i will, in fact there's a lot you haven't known.

Alvin: What are you talking about?

???: I heard what happened with your mission.

Alvin: [!] What!?? [Mysterious Plushie appears behind him] [Turns around] Oh NO!! [Knocks Alvin out with a powerful push] Ugh!!

[2 Minutes Later]

Theodore: Hmm, what's keeping Alvin so long?

Simon: I don't know....but i better see if he's alright. [Simon looks around and he finds Alvin on the floor knocked out] ALVIN!!!!
